FAIR
FIELDIANA

Watch Out!

Scuffs!!!
That's all I have to say
Summer Howard

Celine,

Have a good summer
and don't work too hard
tell your brother I said
hello. Terry

Celine,
What's happening?
Now if Kirby is reading
this then Hi Kirby but he
shouldn't even look at your
letters. Only kidding Kirby
see ya this summer Celine
and look out for all the
Guys. Love,
Ginny

Dimey How are you
going to survive without
Kirby next year. See you
Jill Samfrul,

Celine,
I'm sorry I
didn't write
you more often
but I'm so busy
I can't find time
to write you.
I'll see you
soon. Love,
Daria

Hi kid - no more French!
"best home room
partner!" "How was
your weekend?"
Keep up the brains.
Have a nifty summer
on the island - give
me a call - well
go cruisin'!"
Anne

All, dear,
all I can say
is that I'm glad
you're alive!

 L,
Tracy

Celine, a good time
had with you working on me
prom. (patching that damn pbb!)
I'm glad I got to know
you! Good luck next year,
and have a great
summer. Love
Bob.

P.S. I call you up to come over
swimming this summer.

Celine,
It was really great
gettin to know you. It's too
bad that I didn't get to know
you earlier. You're really sweet.
Don't forget to go to the next
family picnic & we can use that
water fountain again (Ha-Ha).
I have a really great summer
I know I'll see ya because
you're coming over to swim
okay!!
See ya soon
Love ya
Daria

"Keep on Smiling"
P.S. - How's
Murdock
Baby?

Don't Forget all that work,
Celine, the week before the prom.
we worked so hard on that pond
to get water in it and it leaked.
well, at the Prom everything turned
out Great. You and Ben— Oh Brother!
I wanted to get Ben out of your hair
but he had the boos—so he said.
Where'd ya get this name Kirby?
Hope to see you this summer
and Next year AL.

Scouts,

The Queens Court member!
Remember the great history
class with AL and Jeff heading
it. I really got sick of it. Don't
Ever forget Mae Elizabeth Kelly—
she made me really appreciate
life. How about you? Have
a great summer k?

Love

Wendy

Celine,

It's been really
great having you
in my French
class but, after
a while it gets
discouraging seeing
all of you A's.
Stay happy.
Good luck in
the future.

Macrum

To a crazy kid—
you wouldn't have
been the same without
your goofy antics. It'll
be even more fun next year.
I love Melissa's shirt—
what a turn! Laura B.

Celine—
How you be?
I haven't seen you
that much this year!
The nerve. Are you still
in Independent French,
you brain? If you weren't
so smart you'd be dumb!
Remember that.
Love,
Lynn!

PS— I
always
steal one of
these in) I suppose
you're going to say
you're on Independent
exams. H!

Celeste—

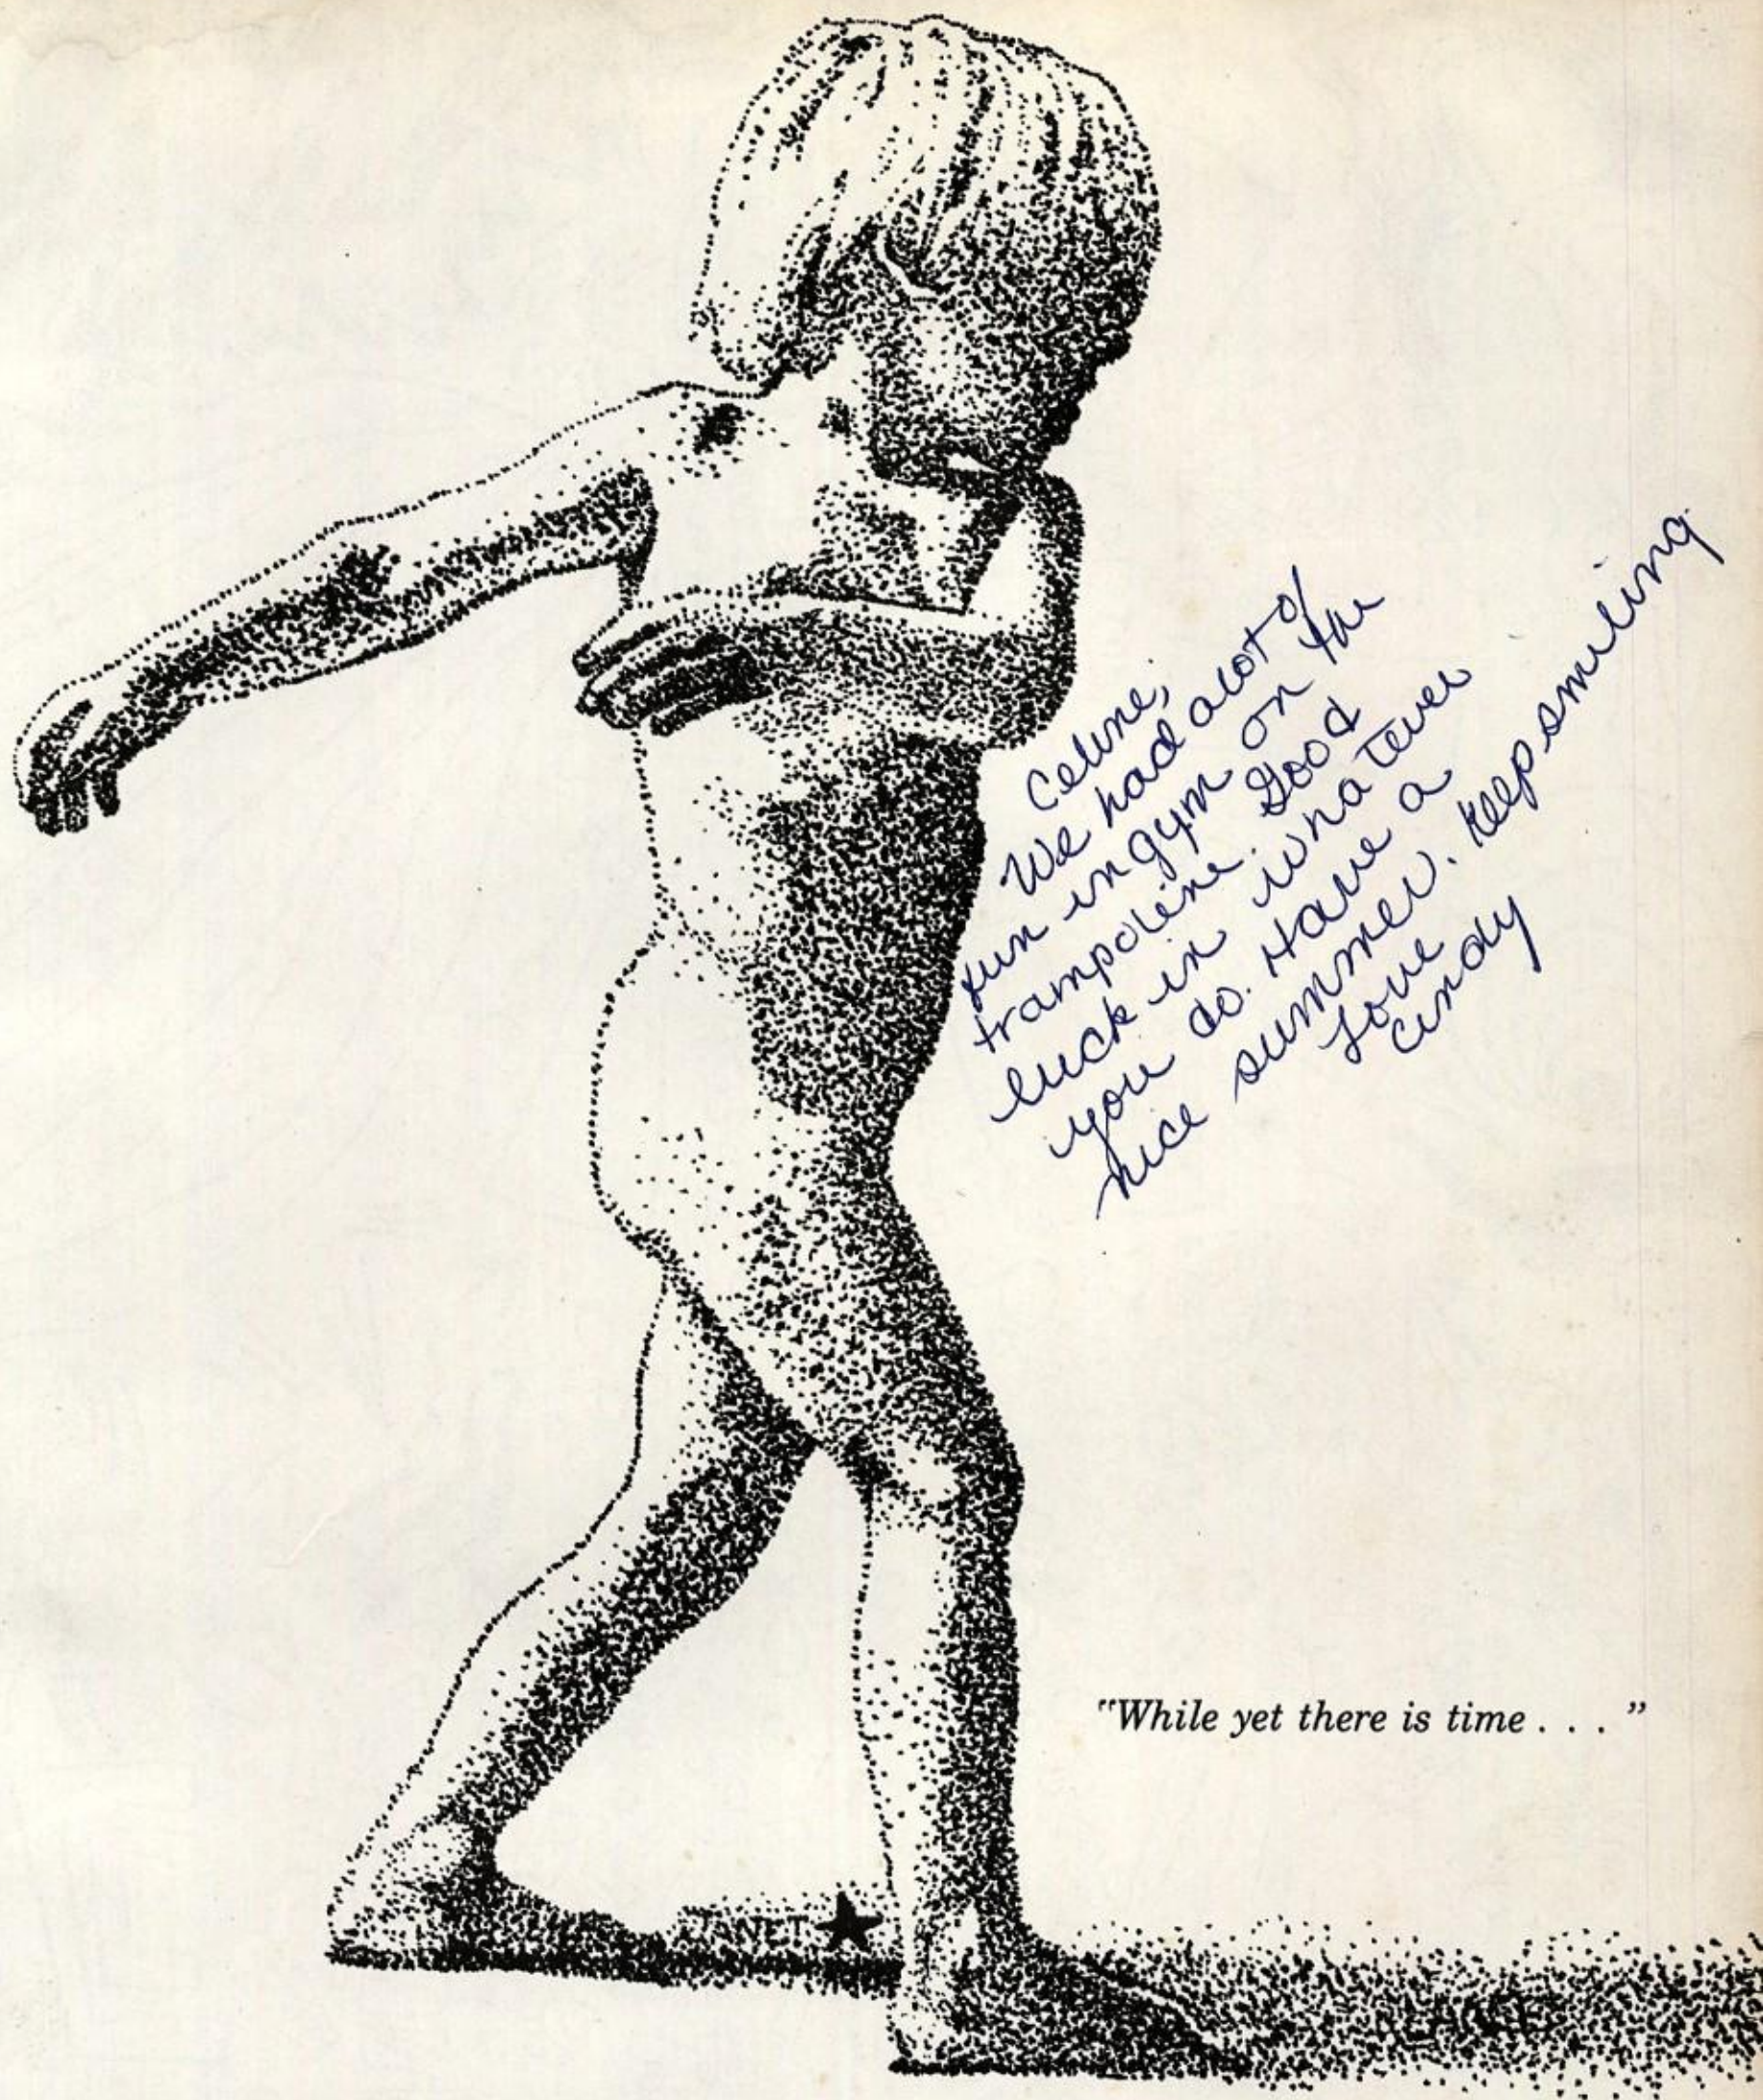

Don't ever forget those
nights! Remember walking
up the road that deary
night? Don't forget (ever)
we'll have fun together
this Summer ☺!!

Luv, Melissa

Celine,

*The hours slip past;
our moments melt
into the eternity behind us;*

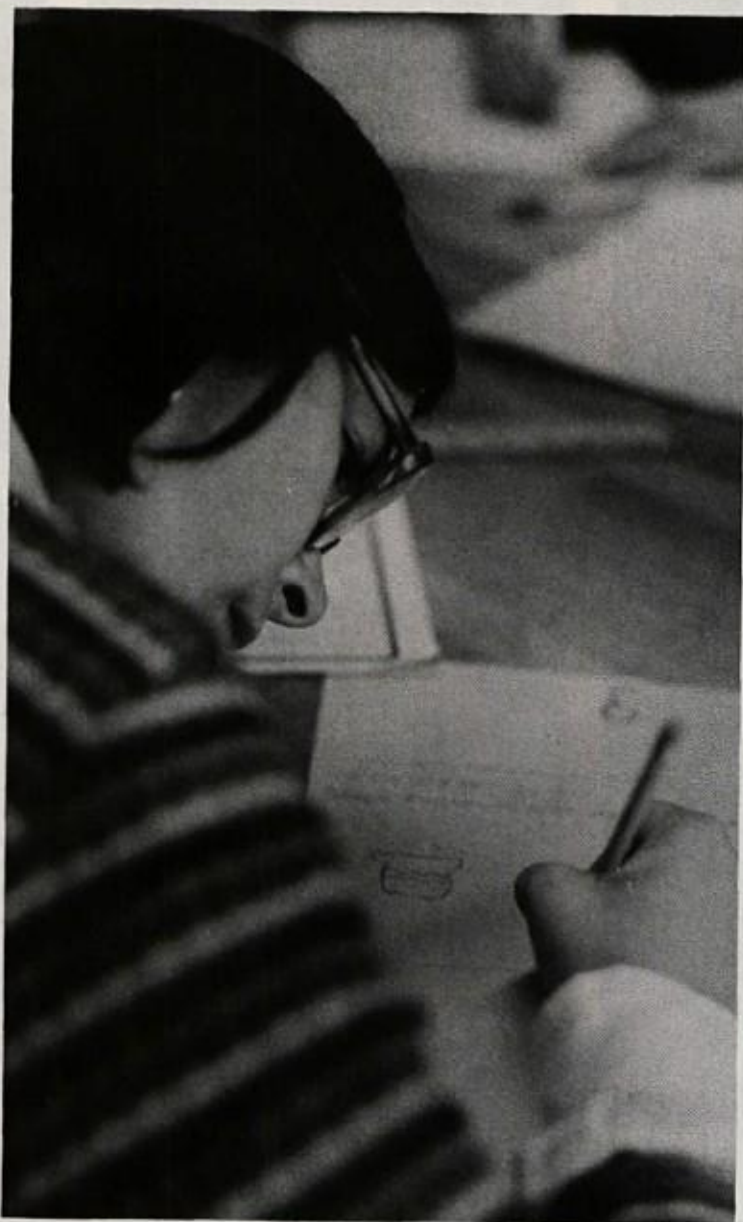

*Time sweeps us on
to a destination
from which there is no return . . .*

*While yet there is time
look out upon the world,
devour it with your eyes,*

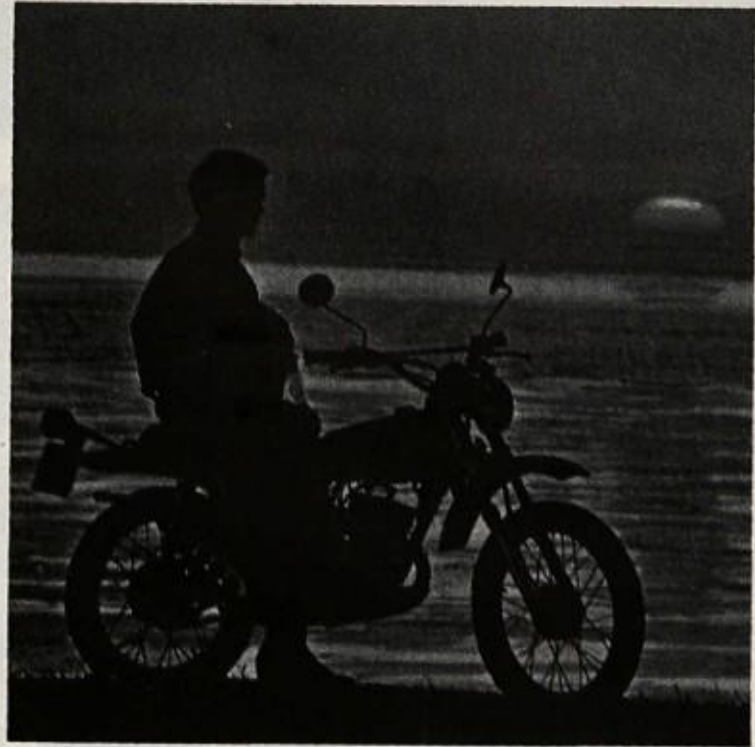

*and, if your spirit demands more,
add at least one stone
to the edifice being built.*

*Fill your lungs with the smell of flowers;
let the first cool breath of dawn
blow through your hair.*

*While yet there is time
let us greet the dawn together;*

*While yet there is time
love, and be loved;*

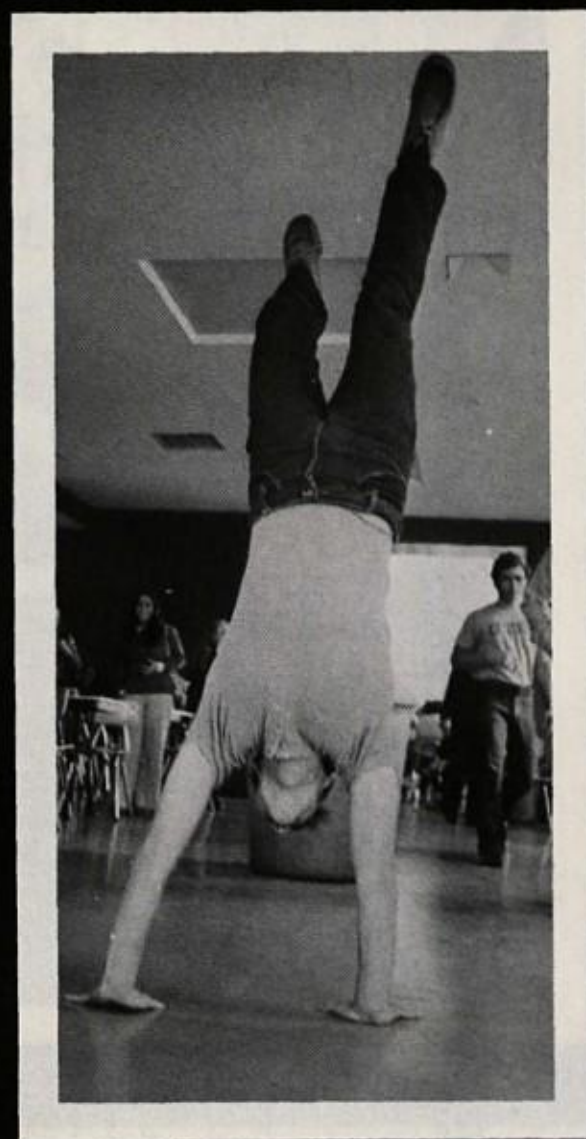

*let your thoughts
throw light in dark places;
let your lips
blossom in a smile.*

*While yet there is time
let the hand of a friend
feel the warmth of your hand . . .*

*How much we have to do,
to create, to express!*

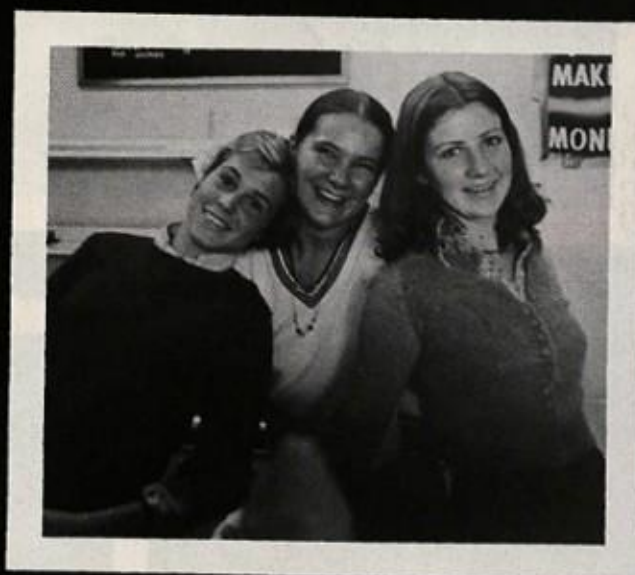

*While yet there is time
graft a slender bough
to a mighty tree.*

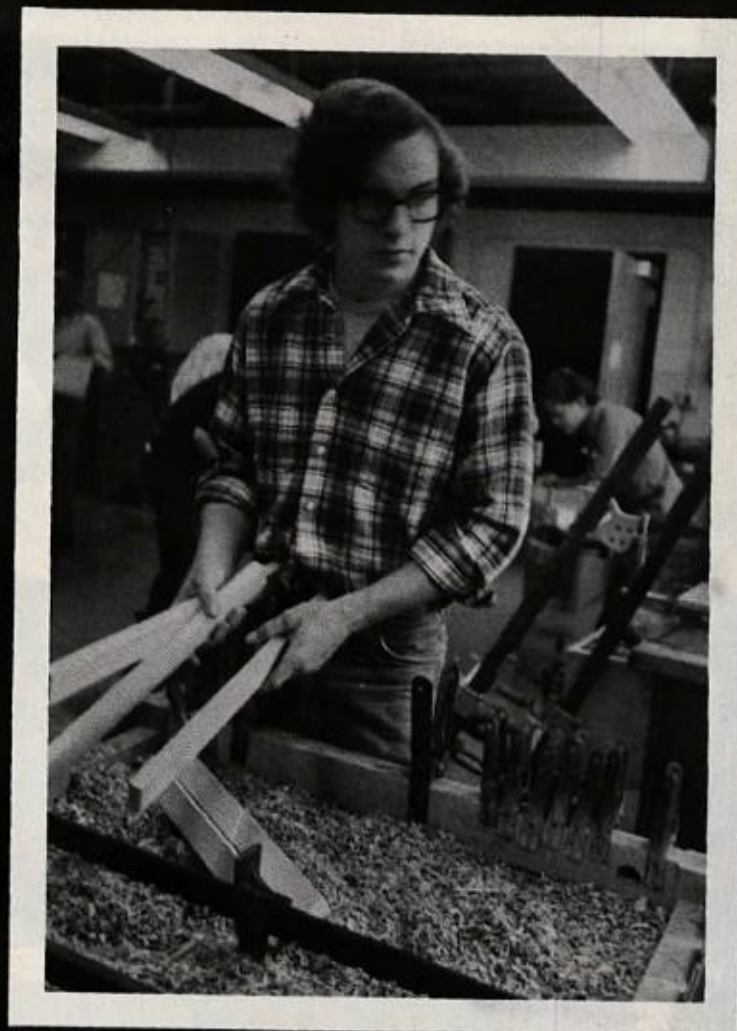

*Do not say, "I love everyone" —
be merciless to your enemies.*

be tender to your friends.

*While yet there is time
live,
labor,*

*but live and labor
so that when you are gone
everyone will see
that where once you were*

an emptiness yawns.

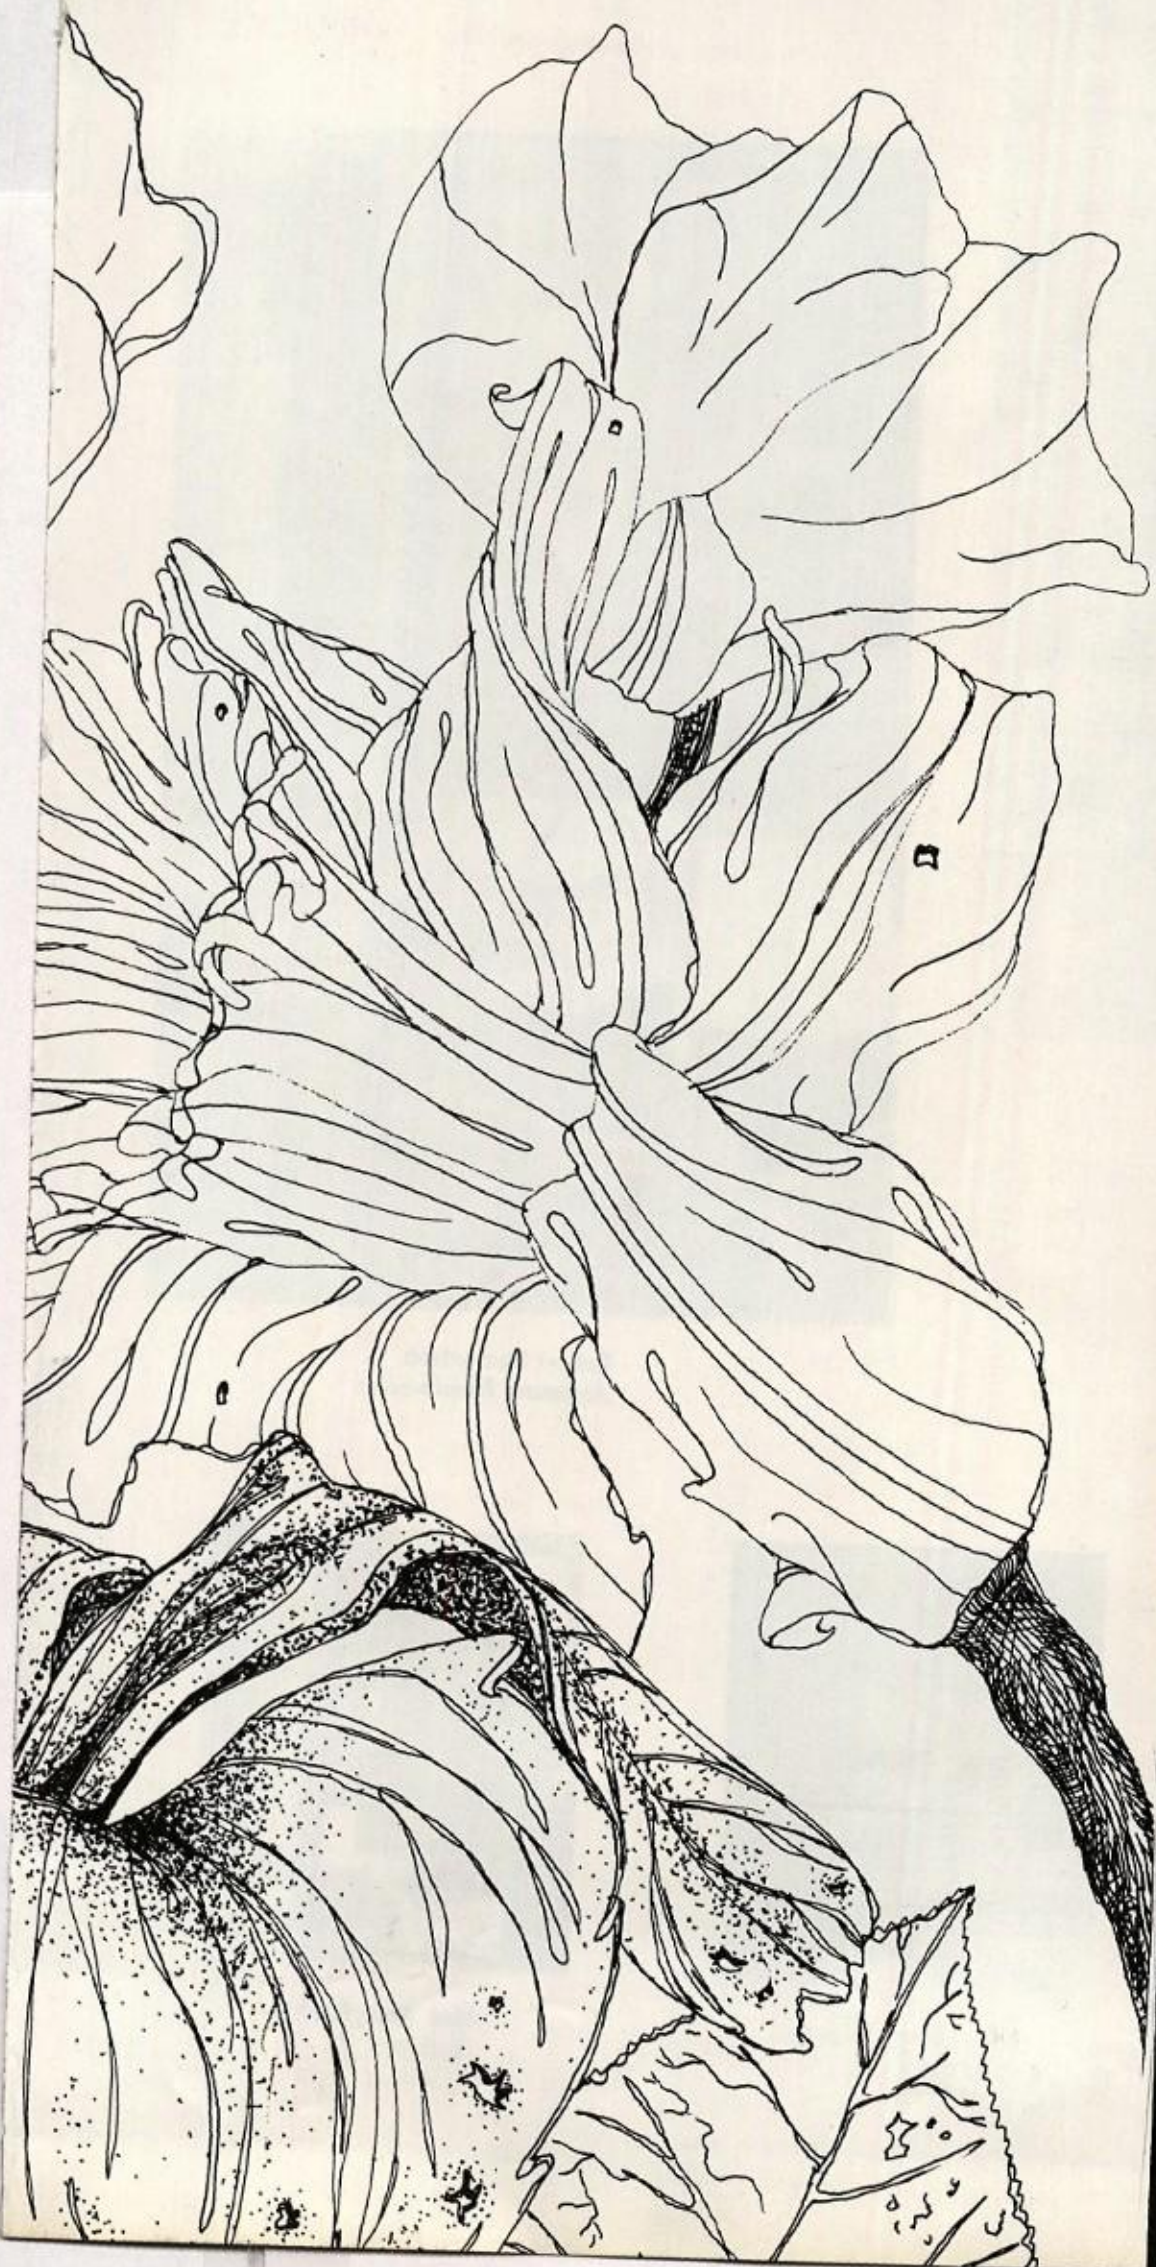

*"While Yet There is Time"

*"I am not a teacher, only a fellow traveler of whom you asked
the way. I pointed ahead — ahead of myself, as well as of you."*

This year's Flying Tigers were perhaps younger than their counterparts around the league, but what they lacked in experience, they certainly made up for in sheer determination and hustle. Although the record doesn't look especially noteworthy, there were many highlights throughout the season that kept the Tiger fans on the edge of the bleachers: the trampling of powerful Trumbull, the limitation of F.C.I.A.C. champ New Canaan's offense, and the whipping of an especially strong Bassick squad all added to the esteem accorded the Ludlowe Tigers throughout the league. Quarterback Joe Rietano was a great offensive standout, displaying astounding accuracy, and the rushing of Bob Haggerty kept us in many a game. The fine defensive example set by all-F.C.I.A.C. tackle Ken Brown, and the great all-around work displayed by Doug Coffed were other bit pluses. We are all grateful to Coach Taft and the Varsity for providing enough excitement to last us a lifetime. Ludlowe may look forward to an extremely devastating team next year, as there will be twenty-four returning players.

This year we have tried to change the role that Ludlowe cheerleaders have played in the past. We've tried many different activities, such as decorating players' houses and a "best legs contest" in an attempt to promote both school and team spirit. By hanging signs throughout the school and gym, we've really tried to show that we *do* care about our school. Most of the students and players seemed to have liked our ideas, and we greatly appreciate all the support they gave us. In spite of the fact that six of us are leaving, we hope that next year's squad will continue with some of our ideas and keep on changing the traditional "cheerleading image" at Ludlowe.

1st row: Dave Hibbs, Tony Ireland, Dave Savage, Ray DeZenzo, Gordon Shanks, Ernie Pierson, Pete Kraft, Neale Ensign, Pete Hemmendinger, Mike Nevins, Mike McGovern. 2nd row: Steve Csanadi, Mike Jacobson, Todd LaRoche, Tom Stopa, Chris Clark, Dave Babcock, Jehv Gold, Jim Bassett, Jon D'Elia, Carl Leighton, Andy McDonald, Bob Levy, Wyn Barrett, Andy Vigneron, Coach Hetzer, and Managers Julie Vigneron and Barbara Shannon.

Coach Arnold (Albert) Hetzer, who recently was recruited to play college soccer at Yale, directed his forces to a 1-10-3 season. "Arnie's Army," which consisted of six sophomores, seven juniors, and only five veteran players, went undefeated in its last three contests and registered a post-season exhibition victory over Prep.

Ludlowe played one of their finest games in a two-to-one loss to Staples (the eventual State Champions). Co-Captain Gordon "Sharpie" Shanks shot perhaps his best goal of the season in this contest, which was played under the lights at Staples. Gordon accumulated seven career goals and received Honorable Mention in the F.C.I.A.C. Other scorers were: Co-Captain elect Dave Savage, Jon D'Elia, and Andy Vigneron.

Junior goalie Ray DeZenzo also received Honorable Mention and was elected Co-Captain for the 1974 season. Playing outstanding defense for the Tigers were: Co-Captain Ernie "Ern-the-Burn" Pierson, Jehv Gold, Neale Ensign, Dave Babcock, Chris Clark, and Jim Bassett (seniors); also, junior Pete Hemmendinger, Steve Csanadi, and Mike McGovern (sophomores).

Managers for the 1973 squad were Peter Wirth, Julie Vigneron, and Barbara Shannon.

Best of luck to the 1974 team!

The 1973 Girls' Field Hockey Team had a very successful season. This was the first year Connecticut had a state tournament in field hockey; in order to qualify, a team had to win one more than half of its games. Our girls had a slow start, being 2-3 after facing some of their toughest opponents early in the season. However, undaunted, the girls came back to win 5 in a row, ending their regular season with a record of 7-3 (JV 6-2-2), thus qualifying for the state tourney. During the tournament, the 18 girls eligible to play scored 2 decisive victories before finally losing to Windsor Locks in a tough quarter-final game. Thus Ludlowe's Field Hockey Team is ranked among the top 8 teams in the state.

CROSS COUNTRY 1973

First row (left to right): Al Buda, John Murren, Dave Caine, Jim Pagliaro, Bill Newman, Richard Bastien. Back row: Coach O'Dywer, Sandy Foster, John Velturo, John Buczek, Bruce Peterson, Dennis Cahill, Captain Craig Fox, Captain Mark Didsbury, Mike Meyer.

Cross Country is an unglorified sport, but it provides experiences and certain self-revelations that few sports can render to an athlete. Cheering throngs do not line the course to inspire the boys along, but rather this "drive" is generated within the spirit of the runner. This is the difference.

The sport of running is frequently questioned by those who do not comprehend its rewards. They only associate the sport with the arduous practices, unforgiving demands made upon the body, and the long, lonely hours. These things are indeed often true, but the individuality and pride that can develop out of running is not to be overlooked.

The Harriers had what is often referred to as a "rebuilding year." With a large part of the squad returning next year, the 5-10 1973 season record will hopefully be improved upon. The definite problem was lack of personnel, but those who were on Cross Country are to be commended for their determination and tenacity.

This year's team consisted of co-captains Mark Didsbury and Craig Fox, Sandy Foster, John Buczek, and a remarkable up-and-coming freshman, Richard Bastien.

The captains elected for next year are Mark Didsbury and Sandy Foster.
Good luck to future squads and to Coach O'Dywer.

This year's basketball team ended the 1973-74 season with a fine 11-7 record. The Flying Tiger talents — Super Snake, Colonel Bombardier, Stuffins, Bad Robert, and Hotstuff — individually and collectively sparked the team in last-minute victories against Notre Dame, Darien, Stamford, and Danbury. Their consistent team effort, tenacious defense and fluid offensive prowess were the keys to making this season's play one of the most exciting Ludlowe has seen in a long time.

The 1973-74 season was one of rebuilding for the Girls' Basketball Team. Due to lack of experience and a few tough breaks, the varsity squad completed their season with a 5-7 record. The highlight of the girls' season was their fantastic effort as they rallied in an exciting and well-played game to nearly upset Trumbull, a very tough opponent. Ms. Heady is looking forward to a more rewarding season next year, with all but one of her varsity players returning.

The J.V. had a very good year, scoring an impressive 11 wins and losing only once to Staples. Some of the experience from this fine J.V. squad should help round out the varsity next year.

This year's swim team, coached by Mr. Hackett and captained by senior Doug Coffed and Seth Meyer, did remarkably well in bringing themselves to a final 5-and-8 slate after last year's 1-and-12 record.

The revival of the team's ability to win can be attributed to hard work, determination, and high morale, which was evident even after pool time, at the parties. Adding to the cohesiveness of the team was the fact that this was the first year swimming became co-ed, with the addition of 6 girls to the team.

Outstanding performances were turned in by Paul Schlotterback, John Jacobellis, Ray DeZenzo, Don Pfarr, and Seth and Doug. Good luck to next year's bugmen and Coach Hackett.

In addition, Pat and Hope earned national ranking at the Junior Fencer level in direct competition with fencers from all over the United States. Hope is ranked eighth and Pat fourth for the 1973-1974 National Junior Championships.

"The Real Secret"

What is the secret of your life?
Tell me,
That I may make my life
beautiful, too.

Elizabeth Barrett Browning

I want to have a relationship with my memories such as I have with a friend whom I deliberately take up again with additional love that has increased because I have dismissed him from time to time. The memory remains and leads continually, in exactly the same way I left it, for then it was not yet memory. The intensity will slacken and finally also the impression; everything grows to be air with the years.

Sometimes, however, a picture will emerge out of the current, wherein I will perceive what was the most lovable to me. Of course, I can't imagine yet what these pictures will be about — years and years from now — but I know for sure that they'll make me happy whenever they come into my mind. And that's because of you, friends. I love you.

*We interrupt this yearbook to bring you
this important message!*

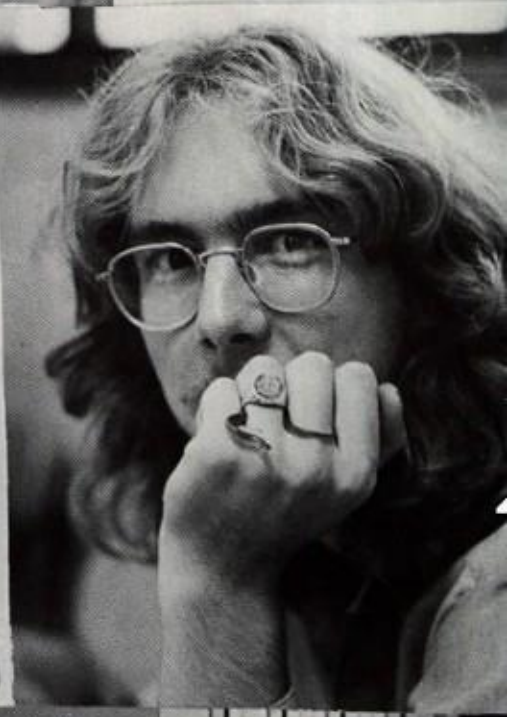

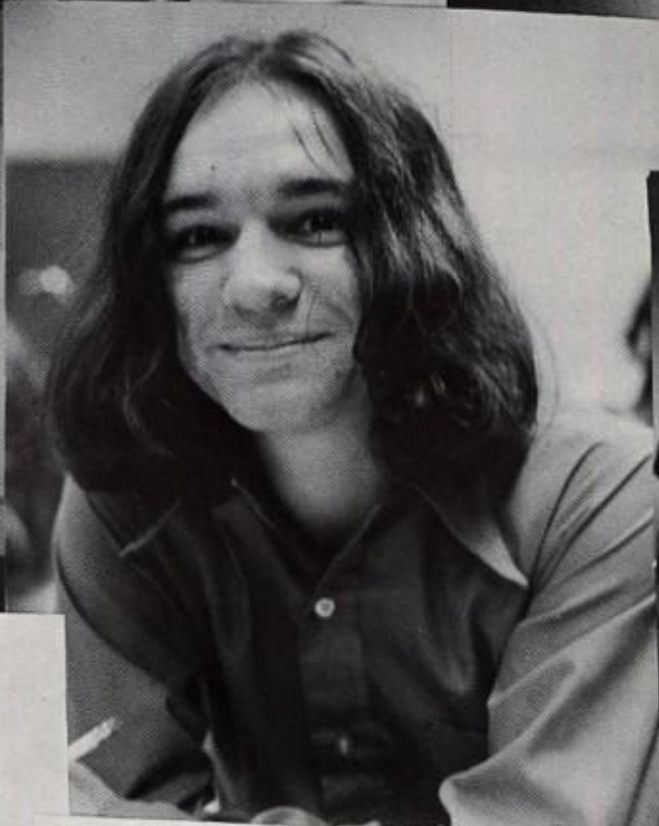

Dear Sally and Alane,

It was extremely difficult for me to "sneak" this page past your editorial eagle eye(s), but somehow I managed to do it. (Never underestimate the power of a desperate, devious yearbook advisor!)

This "message" is a very small way of expressing a very large measure of gratitude and appreciation. For all your labors . . . merci mille fois. (Alane can translate for Senorita Sally!) I'm sure that no one outside of the yearbook staff realizes how many long hours and how much plain hard work have gone into the making of this yearbook. Your energy, determination, and unflagging enthusiasm have been the solid foundation on which Fairfieldiana 1974 has been built. I'm not sure that you yourselves realize how much your own spirit buoyed up the staff during "troubled times." Alane's "Don't worry — we'll make it!" as those dreaded deadlines approached and Sally's cheerful reminder that "This is going to be the best yearbook EVER!" kept us going even through our many and varied "crises." I'm certain that you've both learned the true meaning of the word "PATIENCE" this year! For this and so much more, thank you. But, most of all, thank you for CARING. You have cared about this yearbook from the very beginning, and you've never stopped caring. I can't think of any higher praise I have ever given or could ever give to any yearbook editors.

Now that the yearbook has been published and you are leaving Roger Ludlowe, I guess that our "professional relationship" has come to an end, but I hope that our friendship will continue. For that has been the most important aspect of this very busy, sometimes frustrating, and often rewarding year for me: I have had the pleasure and the privilege of working with two very fine people who have become two very dear friends. I shall miss you next year. I know you will be successful in life: I pray that you will be happy (and I suspect that you will, for you know the secret of making others happy). Much love to you both.

*Fondly,
"Mrs. W."*

"Perhaps someday it will please you to have remembered these things:"

The newness of everything as we entered Ludlowe as freshmen . . . trying to decide for ourselves if there really was a Roger's Pool . . . yawning through Developmental Reading . . . almost being talked into buying an elevator pass . . . running, that first X period, to sign up for every club from Needlepoint to Wrestling . . . getting the first taste of the cafeteria food . . . praying the top lockers wouldn't be assigned to us, since we knew we couldn't reach them.

Then remember: enjoying the new feeling of superiority over the incoming freshmen . . . knowing it all . . . waiting on tables in overalls at the Chicken Dinner . . . observing the many frustrated teachers as the noise of the builders outside the windows increased . . . fighting in vain against the budget cut and then learning to live with it as Juniors.

Remember: entering the "new" Webster house and the new library for the first time . . . gaining the privilege to leave school early if we had a study hall last . . . finding it hard to get to school on time because of the earlier schedule . . .

opting for a pass-fail grade in a subject such as Chemistry . . . being confused over changed room numbers . . . getting our driver's licenses and taking the car to school . . . suffering through PSAT's . . . preparing and preparing and preparing for our Junior Prom — and then dancing to the music of Brass Tax and Spoonfeather.

Finally, remember: biting our nails through SAT's and ACH's . . . gaining the privilege of senior study

. . . adding a new house, new principal, and new faces all around.

. . . painting the parking lot and "getting caught"

. . . rushing to get college applications in on time and then waiting in nervous anticipation for the answers . . . saying so long to the half-year graduates . . . being able, finally, to reach the top locker . . . gaining representation on the Board of Education . . . walking to our bus stops in pitch darkness . . . enjoying an extra half hour of sleep for a few precious weeks . . . being surrounded by questions about the future and not knowing any answers . . . saying goodbye to teachers, friends and RLHS.

Well Scooter,

It's been fun and
I don't know what to

say. I mean, really like
what is there to say
but you've been a great
friend and I hope we'll
stay that way. Listen some
time I'll come over and

we'll have a good time
Also you just have to come
to Purcell's and get drunk
with me. We've been through a lot

and I hope we'll be through
more. Remember all the times

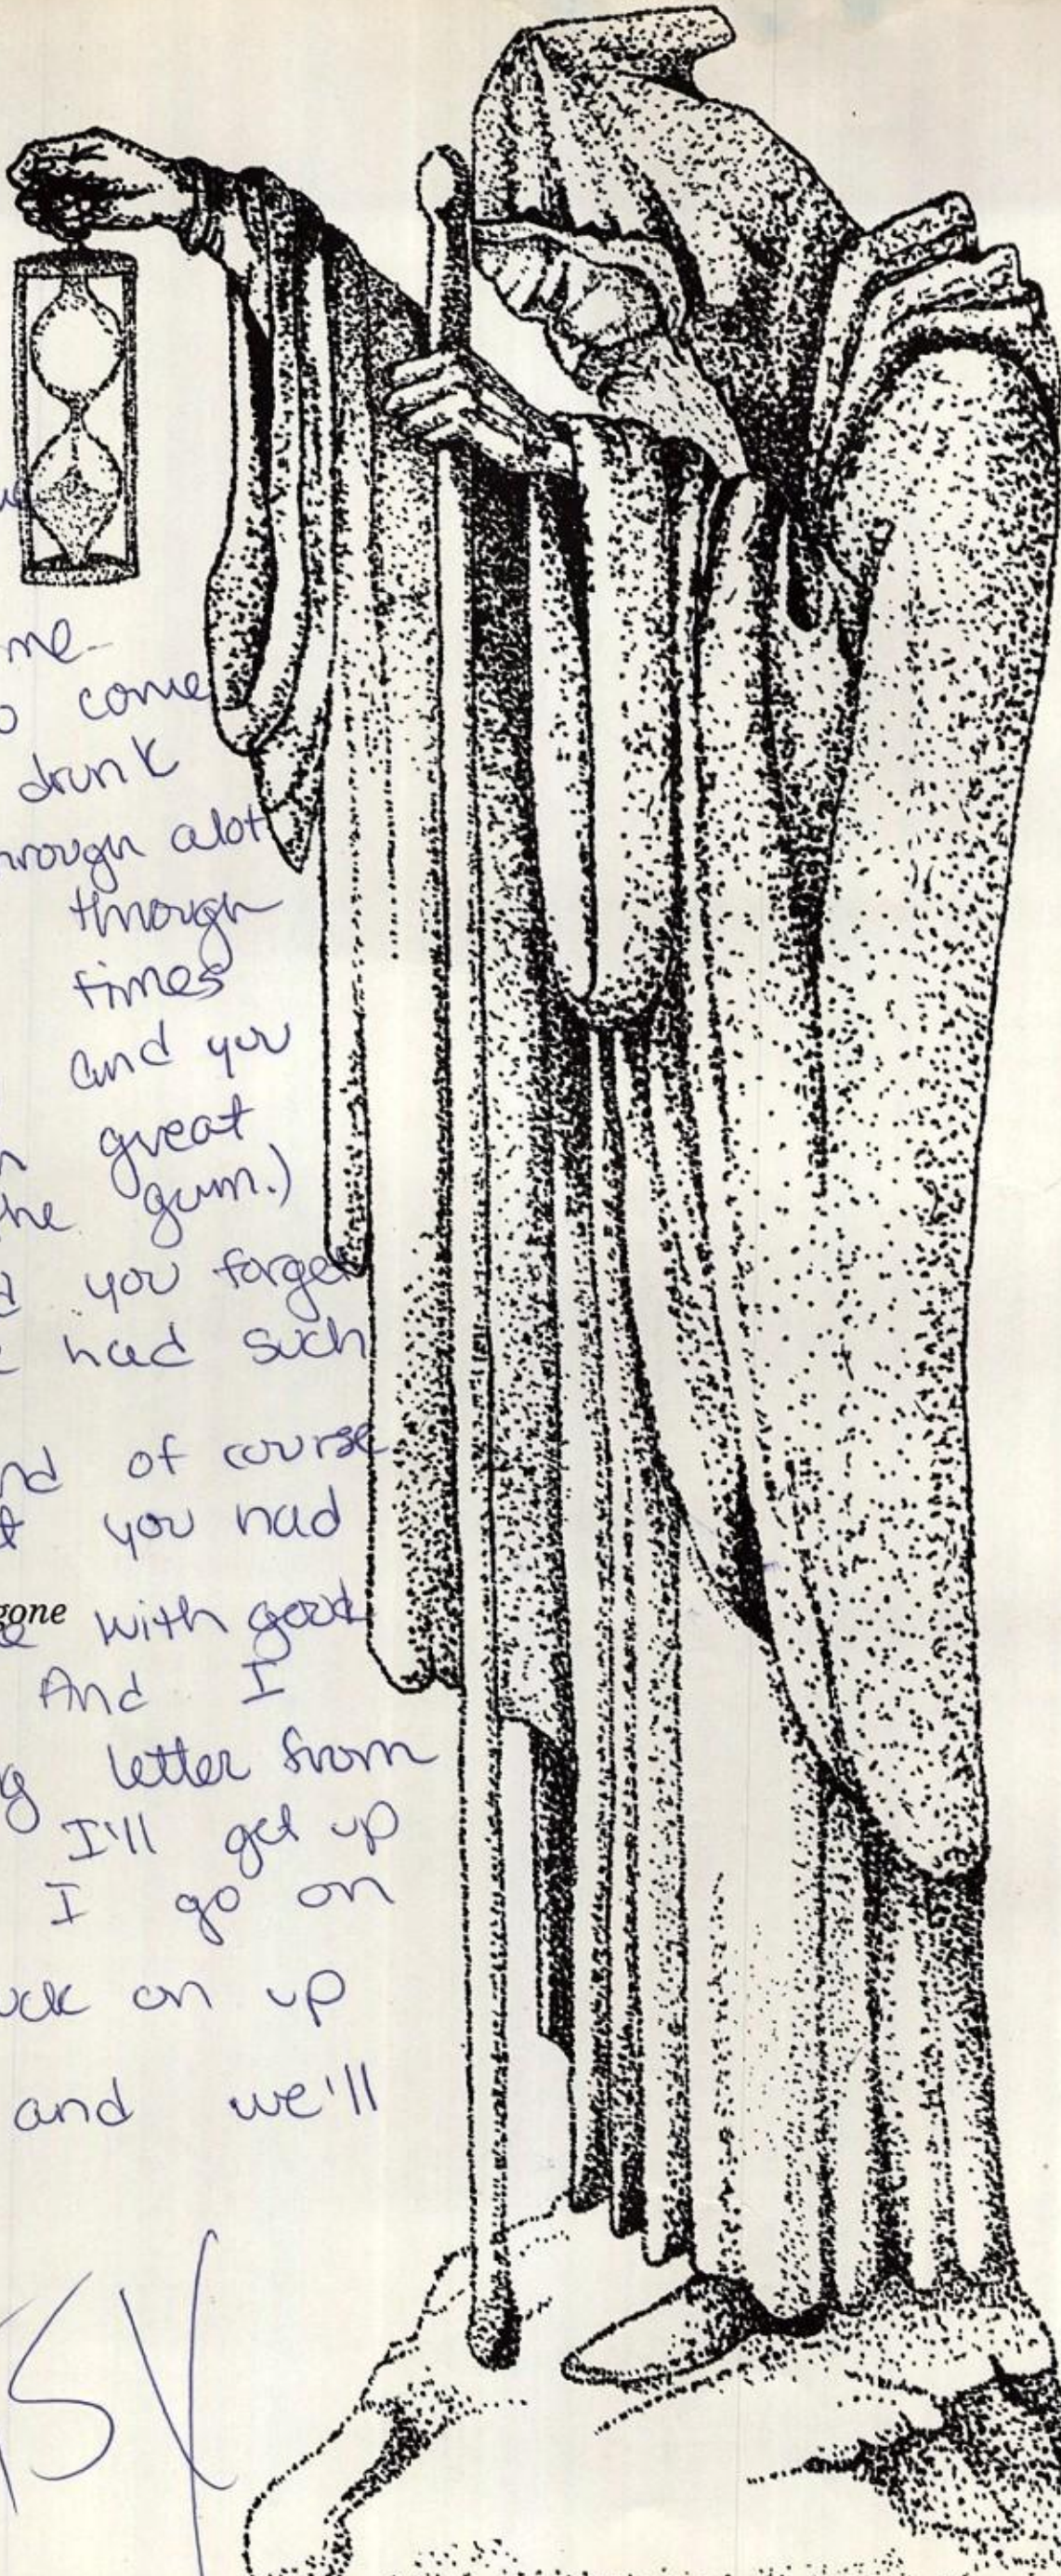

I talked about Billy and you
about Brett. We both great
talkers. (Thanks for the gum.)

And now could you forget
the FROM. Beally we had such

good times there and of course
we all ^{live, labor, but live and labor} that you had
such a ^{more} time with good
old Bert. ^{so that when you are gone everyone will see that where once you were an emptiness yawns.} And I

definitely want a long letter from
the island. Someday I'll get up
there yet. Even if I go on
my own. So I'll truck on up
on my bicycle, and we'll
see you
